RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION DECEMBER 31, 1986

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. For this report, the level of each institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION NOVEMBER 30, 1986

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. For this report, the level of each institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION SEPTEMBER 30, 1986

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION AUGUST 31, 1986

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. For this report, the level of each institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION JULY 31, 1986

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. For this report, the level of each institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION JUNE 30, 1986

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. For this report, the level of each institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION MAY 31, 1986

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC-W and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION APRIL 30, 1986

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC-W and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION MARCH 31, 1986

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC-W and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

Level I	Level I	Level II	Level III	Level IV

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION FEBRUARY 28, 1986

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC-W and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON OCTOBER 31, 1985

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC-W and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

Level I	Level I	Level II	Level III	Level IV
CCC-Camps	CTF-South	CCC-II	Atascadero-SH	Folsom-Main

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON SEPTEMBER 30, 1985

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC-W and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON SEPTEMBER 30, 1985

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC-W and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

Level I	Level I	Level II	Level III	Level IV

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON AUGUST 31, 1985

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC-W and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON JULY 31, 1985

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the department at a reception center. The White category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The Black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC-W and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

Level I	Level I	Level II	Level III	Level IV

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON JUNE 30, 1985

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report. Percentages may not add to 100 due to rounding.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

Level I	Level I	Level II	Level III	Level IV

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON MAY 31, 1985

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC and SCC-Camp-Women. For this report, the level of each male institution is defined as follows:

Level I	Level I	Level II	Level III	Level IV

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON FEBRUARY 28, 1985

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW and CRC.
For this report, the level of each male institution is defined as follows:

Level I	Level I	Level II	Level III	Level IV

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON JANUARY 31, 1985

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW and CRC.
For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON DECEMBER 31, 1984

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW and CRC.
For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON NOVEMBER 30, 1984

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW and CRC.
For this report, the level of each male institution is defined as follows:

Level I	Level I	Level II	Level III	Level IV

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON OCTOBER 31, 1984

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW and CRC.
For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON SEPTEMBER 30, 1984

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution. Inmates in community based facilities are not included in this report.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW and CRC.
For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON AUGUST 31, 1984

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC, and the Community Based facilities.

For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON JULY 31, 1984

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC, and the Community Based facilities.

For this report, the level of each male institution is defined as follows:

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON JUNE 30, 1984

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC, and the Community Based facilities.

RACIAL-ETHNIC DISTRIBUTION OF INMATE POPULATION BY INSTITUTION ON MAY 31, 1984

Summary

The racial-ethnic makeup of the Department of Corrections inmate population for each institution and for the institutions grouped by classification level is presented in the following three tables. Table 1 contains the actual counts of the racial-ethnic groups for each institution, while Table 2 presents the corresponding percentages. Table 3 contains both the number and percent of each racial-ethnic group in institutions by the classification level of the institution.

RACIAL-ETHNIC GROUP

The racial-ethnic status of an inmate is obtained when he or she is first admitted to the Department at a reception center. The white category includes Caucasian, Eurasian, Hindu (East Indian), Palestinian, Portuguese, Puerto Rican, Spanish, and West Indian. The black category includes inmates who identify themselves as Black, Negro, or African. The Mexican-American category includes inmates who identify themselves as Mexican or Chicano as well as Mexican nationals. The "Other" category includes American Indian, Cambodian, Chinese, Columbian, Eskimo, Filipino, Hawaiian, Jamaican, Japanese, Korean, Malayan, Polynesian, Samoan, Thai, Turkish, Vietnamese, and all others. In instances when an inmate is of mixed parentage, the inmate makes the designation of his or her racial-ethnic status.

LEVEL OF INSTITUTION

In Table 3 the levels given are the classification levels of the institutions and not the classification level of each inmate. The women's institutions, which are not classified by level, include CIW, CRC, and the Community Based facilities.
